Re: Notice of Copyrights Violations

Dear DMCA agent of HostGator:

I represent Bridge Publications, Inc. ("BPI"), the exclusive licensee of the copyrights to the published works of the Scientology religion in the Western Hemisphere. This includes the translations of the works in many languages.

You are the host of a website, <http://www.scientolipedia.org>, on which one or more of your customers has uploaded a number of copyrighted materials which include many copyrighted photos of L. Ron Hubbard and copyrighted video lectures of same. Your website also includes a large number of links to materials that have been pirated and posted on other web site. (See list of SCIENTOLOIPEDIA.ORG INFRINGEMENTS attached as Exhibit "A.")

This email constitutes your official notification of claimed infringement under section 512(c) of the Digital Millennium Copyright Act. See 17 U.S.C. §512(c)(3)(A).

Accordingly, I ask HostGator to remove these infringing materials immediately from the Scientolopedia.org website. I also ask that HostGator preserve any and all documents pertaining to this matter, but not limited to, logs, data entry sheets, applications -- electronic or otherwise, registrations forms, billings statements or invoices, computer print-outs, disks, hard drives, etc.

I declare under penalty of perjury that I have a good faith belief that the
